

VAAYUVOLT

CHANNEL PARTNER PROGRAM

Become a Part of **India's**
Clean Energy Revolution

TOGETHER, LET'S POWER INDIA
WITH CLEAN WIND ENERGY.

ABOUT VAAYUVOLT

WHO WE ARE

VaayuVolt is an Indian clean energy brand focused on developing innovative Vertical Axis Wind Turbine (VAWT) solutions specially engineered for India's low and variable wind conditions.

Our mission is to make wind energy practical, affordable, and accessible for homes, businesses, industries and institutions across India.

Our products are designed for maximum efficiency, low maintenance, quiet operation and long service life.

BUILT FOR INDIA. POWERING A SUSTAINABLE FUTURE.
